

# DAY PLAN

## *Opinion text*

### **Day 6-8**

Students should now have a good idea of what needs to be added to their texts. Go over the expectations one more time and then also discuss what should be added to go with grammar and spelling. Here is what we like to add for grammar&spelling with opinion text:

- J'utilise le mur de mots.
- Je n'ai AUCUN mot en anglais.
- Mon texte est lisible.
- Mes phrases ont du sens.
- Mon texte convainc les autres de mon opinion.

Once you have gone over those, students can go ahead and start a new opinion text, individually. I usually like to give them a few choices for these: Xbox ou Playstation, Lululemon ou Roots, Instagram ou Tiktok, etc. You know your students best, so you can always ask them about topics of interest and let them then chose between 3 or 4.

Provide them with the mini list of expectations and let them get to work. They will have more time to work on this over the next few days.
